

The Singleton Environment Centre

The Singleton Environment Centre is built with sustainability at its core and everything about the centre is eco-friendly. It is managed by BTCV, the UK's leading environmental conservation volunteering charity, on behalf of Ashford Borough Council.

Our brand new centre offers your meeting or function the chance to be as environmentally friendly as possible – *a truly unique venue for your event.*

The building nestles in tranquil landscaped grounds with its own terrace and pond, adjacent to Ashford Community Woodland, 15 hectares of woodland managed by community volunteers.

Natural ventilation, low energy lighting, rain water harvesting, wood chip powered heating and solar power, are just some of the features of the centre.

Sustainable venue

The Singleton Environment Centre offers a totally sustainable and refreshing new venue in Kent for:

...the local community

family functions, celebrations, fitness or art classes.

...clubs, charities and associations

meetings, evening talks, training, workshops and voluntary events.

...business

meetings, training, team building events, conferences, interviews and functions.

...and so much more

Getting There

The Singleton Environment Centre is conveniently located close to Ashford town centre, with excellent links by foot, cycle, road or rail, making it accessible whether you are travelling from the local area or further afield.

Ashford International Station provides frequent links to the Kent Coast, East Sussex, Canterbury, Maidstone and London, as well as Eurostar services to the continent. There are frequent bus services from the station and town centre, and parking facilities for cars, motorcycles and cycles are provided at the site. National Cycle Route 18 runs behind the centre.

Why The Singleton Environment Centre?

From your initial enquiry to the day of your event, our friendly and professional approach will ensure you are happy and your event is a success.

Enjoy the tranquil, natural environment in the knowledge that your event will be as sustainable as possible, whilst minimising its environmental impact and supporting the work of BTCV and The Singleton Environment Centre in the local community.

Room hire rates are very competitive and include many of the services that other venues charge extra for. The Singleton Environment Centre is available for bookings all year round – days, evenings and at weekends – and is a truly unique venue.

Our Footprints Café & Bistro on-site catering service can cater for any event and budget. The Singleton Environment Centre is fully licensed for music, entertainment and serving alcohol on the premises. Our on-site team is here to help and advise, to ensure that your event is a success.

About our Function Rooms

All the rooms are on the ground floor with full access for the disabled, natural daylight, low energy lighting, natural ventilation and bio-mass heating systems. The Hornbeam and Rowan Rooms can be hired separately, or joined together to provide additional space and seat up to 100 people.

Each room is individually temperature controlled. The Hornbeam Room has direct access to the 100 seat amphitheatre, which can also be hired.

The flexible accommodation provides a wide range of facilities available for one-to-one interviews through to events for up to 100 people seated inside. A maximum of 200 people can be accommodated for private functions in the centre, using the function rooms, café and terrace space.

The Hornbeam and Rowan Rooms can be supplied with tables and chairs – to a maximum of 100 seats – which can be laid out in various configurations, depending on your requirements. Facilities available include free wi-fi, data projectors, screens, flipcharts, lectern, laptop, colour photocopying, and audio visual services.

The Singleton Environment Centre is supported by:

The Rowan Room

The Hornbeam Room

Footprints Café & Bistro

We provide a high quality catering service to meet all dietary requirements and budgets.

The centre boasts its own local caterers 'Footprints', based at the Centre, who have been awarded five stars – Ashford Borough Council's highest rating for food safety in the borough.

Footprints follows the theme of conservation and environmental awareness, by serving the best in local, homemade and seasonal produce, with ethically farmed meats and fish, plus delicious fair-trade teas, coffees and homemade cakes.

Footprints can cater for any event held at the centre, offering set menus, hot or cold food, BBQs, or your own specific requirements. Fully licensed, Footprints can also provide bar facilities for your event.
