

Appendix 1

People and organisations involved in the Healthcheck

The Tenterden Town and Rural Partnership currently has a Steering Group of ten, representing the Weald of Kent Preservation Society, the Chamber of Commerce, Ashford Borough Council, Tenterden Town Council, Wittersham Parish Council, Tenterden and District Residents Association, the Leisure Centre Trust and local business. All are also involved in one or more of the working groups, and have given generously of their time and expertise. We would also like to record grateful thanks to all those who have assisted with the healthcheck, to the Town Council and Anderida Coffee House for meeting rooms, and to Elsa Maytum for prompt and efficient circulation of minutes of meetings - and to apologise for anyone we have missed from the lists below,
