# Calling for help at the touch of a button

Ashford Telecare offers the complete safety and security solution for the elderly and vulnerable.

## Unsure of who is knocking on your door?

The bogus caller button is there to ease any concerns about doorstep callers.

## Relative on their own?

We can provide 24 hour peace of mind and support.

## At risk of falling?

We will contact someone to help you.

## Worried about leaving your home?

Don't be, our movement sensors will alert us if there is an intruder, and we can summon the appropriate help.
