

Egerton Neighbourhood Area Request - Sent by email to ABC on 30th March 2017.

Thank you for your recent reply to the Egerton Parish Council Clerk, Heather James, and myself about the next steps that we need to take regarding the formal process for a proposed Egerton Neighbourhood Plan.

As requested, I am writing to formally submit to Ashford Borough Council the proposed area of the Egerton Neighbourhood Plan for designation. On the attached scan, you will see that the area we are applying to be included in the Neighbourhood Plan is the whole parish as shown on the map. The area is marked in red and this follows the Parish boundary. A higher resolution scan is available if required.

After appropriate local consultation, Egerton Parish Council has chosen the area of the neighbourhood plan to be the boundary of the Parish as shown, partly because it is generally presumed to be the appropriate boundary for small parishes like ours, and also because no objections were raised by parishioners to the proposal, which was circulated to every household in the parish.

The body making the application is Egerton Parish Council, which, in law, is a qualifying body.

I hope that we have provided sufficient detail in response to your request for information to accompany our application. I also hope that this suffices as a 'trigger' of our intentions and allows Ashford Borough Council to now advertise the process on its consultation portal.

Many thanks.

Kind regards

Peter Rawlinson
Vice Chairman - Egerton Parish Council
