Dear Richard,

Please find attached a copy of Ashford Borough Council's response to the Bethersden Regulation 14 consultation. As the body running the Regulation 16 consultation, we did not comment at that stage.

Additionally, the link to Ashford BC's lettings policy (including affordable housing) can be found at this link: www.ashford.gov.uk/media/5266/lettings-policy-revision-171117.pdf

Please let me know if you need anything further.

Matthew

Dear Matthew

I should be grateful if you could supply the following:

1. A copy of the response of Ashford BC to the regulation 14 consultation on pre-submission draft of the Plan
2. A copy or weblink the Ashbourne BC's lettings policy for affordable housing.
3. Any representations made by Ashford BC in response to the regulation 16 consultation? (I have not received any but in other examinations I have carried out these have been omitted in error).

Kind Regards

Richard
