

Work for

Ashford Borough Council

Border Control Facility

A new Border Control Facility is being set up in Ashford on the Sevington site near junction 10A of the M20. This site will provide the customs and transit checks required for hauliers following Brexit.

Roles We're Recruiting For

Principal Port Health Officer

Senior Port Health Officer / Port Health Officer

Senior Port Health Support Officer

Port Health Support Officer

Port Health Support Assistant

We are working on these roles in partnership the Matrix SCM Group - a specialist recruitment provider who source candidates via agencies in their network.

We are not recruiting for these posts directly so please don't send your CV to us; instead apply through CDL or through an agency.

Apply through CDL

CDL is a business-to-business services company providing payroll, compliance and contracting services. They offer temporary workers the ability to work directly for Ashford without the need for a recruitment agency.

Please send your CV to payroll@client-directs.com with the vacancy in the Subject line i.e. "Subject: Port Health Support Officer" to apply.

Apply through an Agency

If you are already registered with an agency, then you may wish to contact your recruitment consultant about these roles and ask them to put your CV forward.

You can apply via an agency at <http://temporary-jobs.matrix-cr.net/> by searching the vacancy in the search bar along with your postcode.
