<b>Would you like to be notified of the Council's decision on whether to accept the Examiner's recommendation and future progress of the neighbourhood plan?</b>	Yes
<b>Please indicate whether you support, object or consider there to be an omission from the contents of the Neighbourhood Plan</b>	Support
<b>Comment</b>	<p>The Neighbourhood Plan sets out a framework for preserving the rural character of the Pluckley Parish whilst allowing limited expansion to cater for villagers needs. It addresses the important issue of the development of the Brickworks site and provides a good balance between maintaining the rural nature of the village and developing the industrial wasteland. It also address the shortage of medium sized housing for village residents wishing to downsize.</p>
