

Freedom of Information and Environmental Information Regulations Performance Statistics 2026–2027

This report shows how the Council handled requests made under the Freedom of Information Act and the Environmental Information Regulations during the 2026–27 financial year.

It includes quarterly figures on how many requests were received and answered, how quickly they were dealt with, how many were late, and whether any legal extensions or exemptions were used. It also shows what information was released, partly released, or withheld, and how internal reviews were handled and completed.

The figures have been produced in line with guidance from the Information Commissioner’s Office and are intended to support openness, accountability, and internal monitoring.
