

Technical Note

Project No: ITL09289
Project Title: Land at Appledore Road, Tenterden
Title: Planning Application 4th Highways Response
Ref: NM/BC/ITL09289-026a TN
Date: 23 June 2020

Woodchurch Road Bus Stops

- 1.1 This note has been prepared following Kent County Council's (KCC) highways consultation response letter (dated 14th May 2020) to the planning application on the Land between Woodchurch Road and Appledore Road, Tenterden, Kent (reference: 19/01788/AS). This note supersedes the previous version ITL09289-026 dated 22 May 2020.
- 1.2 The comments provided by KCC are further to those dated 16th January 2020, 4th March 2020 and 16th April 2020 to which i-Transport prepared technical note responses (ITL09289-023d TN, ITL09289-024b TN and ITL09289-025a respectively).
- 1.3 KCC's latest consultation response (24th May 2020) is in relation to the bus stop provision along Woodchurch Road, in particular requesting a plan showing the proposed provision of west and eastbound bus stops.
- 1.4 The latest consultation response notes that KCC is prepared to accept that no bus stop shelters are required due to the expected low use.
- 1.5 A drawing has been prepared ITL9289-GA-056A that shows the potential location of two bus stops along Woodchurch Road in close proximity to the proposed pedestrian/cycle site access.
- 1.6 Drawing ITL9289-GA-056A details the position of east and westbound bus stops including; 31m long bus cage/clearway markings, raised kerbs (to be DDA complaint), footways linking with the proposed site access/pedestrian crossing and bus poles with flags. All existing residential driveways are proposed to be retained.
- 1.7 We trust that the drawing attached is satisfactory to KCC highways and there are no remaining outstanding comments to be addressed, as part of the planning application on the Land between Woodchurch Road and Appledore Road, Tenterden, Kent.
