Dear Sir/Madam

I wish to make comment regarding the proposed Pope House Farm Development on the border of Tenterden and High Halden Parish.

I fully support Ashford Borough Council's assessment of Pope House Farm WC18 & 19 and personally believe that development here would have the least impact on traffic in Tenterden and High Halden. Both the local primary school and secondary school are accessible by foot, local shops and amenities are closeby, and additionally, the A28 is quite wide at this point making access easier.

Yours faithfully

Samantha Reed
