Die Bürgermeisterin

Dear Callum,

thank you very much for your letter, your warm words and the comfort.

The flood of July 14th, 2021 has hit our city and our citizens in a very hard way. For more than 600 years, Bad Münster eifel has not experienced such a flood disaster. Nevertheless, we are now looking ahead optimistically, as the disaster has not only brought destruction, but also solidarity, support and empathy to our town. Furthermore new networks has been established. Therefore we are now doing all we can to rebuild our beautiful town. Great efforts to clean up and rebuild and new challenges lie ahead of us.

We are very moved by the compassion, help and support that has reached us in various ways during these difficult times. I am especially grateful for the crowd funding campaign, that was initiated by the Ashford Twinning Association.

Thank you very much for all your support and sympathy!

Kind regards

(Sabine Preiser-Marian)
