Dear Mr Smith and Mr Lee,

### **Ashford Local Plan 2030: Request for Inspectors to recommend Main Modifications**

Thank you for your closing comments statement which raises the issue of main modifications.

I would now wish to formally request under the section 20 (7C) of the Planning and Compulsory Purchase Act 2004 (as amended), that as part of the Examination process you make recommendations to the Council for any main modifications to the Local Plan 2030 that you consider are necessary in order to enable the Plan to be found sound.

This request is made in order to enable the Council to progress the Plan to adoption, following the necessary public consultation upon any main modifications that may be proposed.

Yours sincerely

**Simon Cole**  
**Head of Planning Policy**
