## Declarations

Cats/dogs without microchips will not be permitted. Please check this box to confirm the cat/dog will be microchipped

I agree that by submitting this application to keep a cat/dog I am declaring that I will be legally responsible for the cat/dog(s) at all times. I will not make any alterations to the property to accommodate my pet without having permission from Ashford Borough Council. I have read the Pets Policy and the conditions of my tenancy agreement and will make sure I comply at all times. I understand that I have responsibility for all pets that live at the property (even if I am not the primary carer) and that a separate application must be submitted for each pet. I understand that if I breach the Pets Policy and/or the conditions of my tenancy agreement that permission to have the pet may be withdrawn in addition to any other enforcement action that Ashford Borough Council may take. If I am unable to continue to care for my cat/dog, due to a change in my situation, I agree to rehome the cat/dog. If I am unable to arrange this myself, I agree that Ashford Borough Council can contact a suitable animal welfare organisation to ensure appropriate rehoming arrangements are made. I understand that pets are not allowed in communal gardens at any time and that when in any internal communal area must be on a lead.

Please check this box to confirm that your pet has valid pet insurance, or that you intend to do so in an acceptable period of time.

Please check this box to confirm you have read and understood the declaration.
