Please provide information about the breach that has taken place.

It is important that you provide all the information you wish to have taken into account by the Monitoring Officer when he (acting in consultation with the Independent Person) decides whether to take any action on your complaint. For example:

- You should be specific, wherever possible, about exactly what you are alleging the councillor said or did. For instance, instead of writing that the councillor has conducted himself in a manner which could reasonably be regarded as bringing his office or the Authority into disrepute, you should state what it was they said or did.
- You should provide the dates of the alleged incidents wherever possible. If you cannot provide exact dates it is important to give a general timeframe.
- You should confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible.
- You should provide any relevant background information.
- You should attach (or provide a link to) relevant documents e.g minutes of meetings.

Specific description of code of conduct breach*

Please provide as much detail as possible, using the guidance given above.

Please indicate whether you consider the matter could be satisfactorily resolved informally e.g by way of a suitable apology. Please give reasons.*

If your complaint were investigated and a breach of the code of conduct was found, the range of possible sanctions is normally limited to a written censure, recommended training, or withdrawal of facilities if improper use of those facilities has been identified. Please indicate what sanction, if any, you consider would be appropriate if your complaint were upheld.
