

Chair Person Vacancy

The Ashford Allotment Society position of Chair Person has become vacant. Therefore anyone interested in further information about this position is invited to apply by 11th April to:

lisa@ashfordallotmentsociety.org

Site Representatives

A Site Representative (Site Rep) is appointed at each of the Borough Council allotment sites. The Site Rep communicates with the Council Allotment Officer and with Tenants and manages day to day issues pertaining to their site. This includes reporting maintenance and repairs, meeting new Tenants and ensuring the running of the site as defined in the Council Terms and Conditions. Whilst Tenants may email the Council Officer, everyone is encouraged to contact their Site Rep. One persons' concerns are very often common. The means to contact the Site Rep is on the allotment notice board.

Site Rep Vacancies

There are currently some sites where there is a vacancy and any Tenant at a site is welcome to put their name forward to the Society. The current vacancies are shown below. Anyone interested should email:

lisa@ashfordallotmentsociety.org

Being a Rep does not take up a lot of time.

Allotment Terms and Conditions

The Council publish their Allotment Terms and Conditions on their website. The address is:

<https://www.ashford.gov.uk/outdoor-spaces/allotments/>

It is important that everyone follows the Terms and Conditions. We are particularly concerned about site security, using water from taps responsibly, depositing waste material on communal areas and lighting open fires. So please be aware and abide by the rules the Council have applied.

Vacant Plots

The Council have now completed their audit of records and have a large waiting list in the region of 2000 people in the Borough seeking an allotment. Invitations are now being sent out to prospective Tenants to visit and view plots so hopefully soon all plots will become productive.

Trading Store

All Tenants are welcome to take up membership of the Ashford Allotment Society Trading Store. The fee is £2.50 annually payable at the store. As a kind offer, Ripley's Garden Centre, Ashford Road, Bethersden are also offering a 10% reduction on all plants not already subject to a price reduction.

For more information go to the Ashford Allotment Society website:
